

**Zaboravite na online foto albume i učinite VAŠE fotografije stvarnim.  
Naručite SVOJE fotografije i mi ćemo uraditi sve ostalo.**

Izrada fotografija ne treba da pripada prošlosti. Oslobodite SVOJE fotografije slikane digitalnim foto aparatom ili mobilnim telefonom.

Da bismo odštamali vaše fotografije, potrebno je da nam pošaljete sledeće:

- digitalni fajl/ove (tj. fotografije) u JPG/PNG/TIFF formatu (ako je originalni fajl/ovi editovan u nekom od programa navedite i naziv tog programa)
- informaciju kojim digitalnim fotoaparatom ili mobilnim telefonom je snimljena fotografija/je,
- u kojoj veličini želite da fotografija bude odštampana, i
- koji tip printa želite (Alu dibond, galerijski print, forex foam ili papir)

Fajl(ove) možete poslati putem nekih od servisa poput WeSendIt®, DropBox® ili Google Drive ili putem e-maila ako fajl(ovi) nije veći od 20 MB. Vaši fajlovi bi idealno trebali da budu u rezoluciji od 300 DPI, 8-bitni i sa izabranim sRGB kolor profilom. Ako vam ovi podaci nisu poznati ili niste sigurni za iste, samo nam pošaljite fajlove i mi ćemo se pobrinuti za njih! Svaki fajl će biti proveren da li zadovoljava kriterijume neophodne za izradu u željenom formatu i tehnici u najboljem mogućem kvalitetu.

**Napomena:** Iako naša standardna ponuda u online prodavnici obuhvata fotografije u formatu 3:2 (landscape i portret) teoretski ne postoje ograničenja. Vaše fotografije će biti odštampane u željenom formatu / veličini u skladu sa sledećim karakteristikama:

- od 45x30 cm do 75x50 cm za papirni print
- od 45x30 cm do 150x100 cm za galerijski print i Alu dibond print
- od 60x40 cm to 90x60 cm za Forex foam print

**VAŽNO:** Cena izrade vaših fotografija za izabrani format i tip biće niža od cena koje su navedene u našoj online prodavnici (uz istovetni kvalitet i karakteristike). Finalna cena je predmet međusobnog dogovora između Kupca i Imprint Lumen d.o.o. Vaše fotografije podležu Zakonu o zaštiti autorskih prava i kao takve neće biti distribuirane trećim licima i/ili upotrebljene u drugu svrhu osim one zbog koje su nam poslate.

Članovi našeg tima će nakon prijema obaviti profesionalnu analizu vaših fajlova i zahteva za štampu i kontaktirati Vas putem e-maila u najkraćem vremenskom roku. Nakon što potvrdimo i međusobno se usaglasimo oko tehničkih/finansijskih detalja, na Vašu e-mail adresu će biti prosleđene instrukcije za plaćanje.

Plaćanje je unapred i u kompletnom iznosu, kao i za printove iz naše ponude u online prodavnici (putem PayPal® servisa sa kojim je povezana vaša kreditna kartica Visa, Master ili American Express, osiguranog 128-bitnim enkriptovanim SSL protokolom). Za državljane Srbije moguće je plaćanje putem računa korišćenjem platnog prometa u okviru sistema komercijanih banaka sa teritorije Srbije. Ostatak procesa (potvrda plaćanja, broj za praćenje porudžbine i očekivani datum isporuke) je isti kao u slučaju porudžbine preko naše online prodavnice.

Profesionalno izrađeni proizvodi po razumnim cenama donose Vam kvalitet koji traje i iskustvo koje se ne zaboravlja.

## YOUR PHOTOS – MEMORIES THAT LAST

**Forget online albums and make YOUR photos live.  
Order YOUR prints online and we'll do the rest.**

Printing YOUR photos needn't be a thing of the past. Isn't it time you set YOUR pictures free from YOUR camera or phone?

In order to get your photo printed by us, please be kind to send us:

- digital file(s) (e.g. photos) in JPG/PNG/TIFF format (if original file(s) were edited please send us info which digital photo editing software was used),
- information by which camera or smart phone (manufacturer and model) your photo(s) was made,
- in which size you wish your photo(s) to be printed, and
- which type of print you want (Alu dibond, gallery print, forex foam or paper)

File(s) can be send by using some of popular services like WeSendIt®, DropBox® or Google Drive, or by email if your file(s) is not bigger than 20 MB. Your digital files should ideally be 300 DPI, 8-bit and have an embedded sRGB color profile. If you don't know what any of that means, then just leave it to us! Your image files will, of course, be checked as to whether or not they are suitable for what you're ordering, and then they will be produced in the highest quality.

**Notice:** *Although our standard size ratio is 3:2 (portrait and landscape), there are no restriction for your photos. We can make it in desired format / ratio and size:*

- *from 45x30 cm to 75x50 cm for Paper prints*
- *from 45x30 cm to 150x100 cm for Gallery prints and Alu dibond prints*
- *from 60x40 cm to 90x60 cm Forex foam prints*

**IMPORTANT:** *Price for printing of your photo(s) for selected type and size, will be lower than price from our shop (for photo with equal characteristics). Final pricing is subject of mutual agreement between Customer and Imprint Lumen d.o.o.*

***You or the original photographer remain at all times the owner of the copyright in the files themselves and the products made from them. We will not use any of your files for distribution to third parties and/or for any other purpose than providing products required by your side.***

Our experts will analyze your files and printing request and contact you via e-mail in a shortest possible time. After we clarify and agree all technical / commercial details, you will receive payment instructions by e-mail. Payment is 100% in advance, as for standard products that we offer (payment processing by PayPal® secured by 128-bit encryption SSL protocol). For Customers with Serbian citizenship it is possible also to make payment through local commercial banks payment system. The rest of process (payment confirmation, tracking number and expected delivery date) is the same as in case that you've placed order through our Shop.

Professionally printed products ensure the best definition and colour vibrancy, giving you quality prints that last a lifetime.
